

Will Adams NHS Treatment Centre

Choosing the service that's right for you

Fast access to high-quality care

At Will Adams NHS Treatment Centre, we pride ourselves in providing fast, convenient access to high quality NHS care for patients across Medway, East Kent and West Kent.

Our state of the art NHS treatment centre is based in Gillingham, Kent and provides day case surgeries and procedures.

As a patient of the centre you will benefit from:

Short waiting times

In most cases, you will have your surgery within eight weeks of being referred, meaning shorter waiting times.

High levels of patient satisfaction

We actively encourage all of our patients to leave feedback when they visit the centre. Our patient satisfaction levels are over 99%, demonstrating the high quality care we provide.

Help and advice whenever you need it

Our professional, highly trained staff are committed to giving the best treatment and care to every patient. This includes high quality aftercare during your stay at the centre and also back at home if required.

Tough infection control

No patient has ever caught MRSA or C.difficile here. We're determined to keep our strict cleaning and hygiene regimes so that no one ever does.

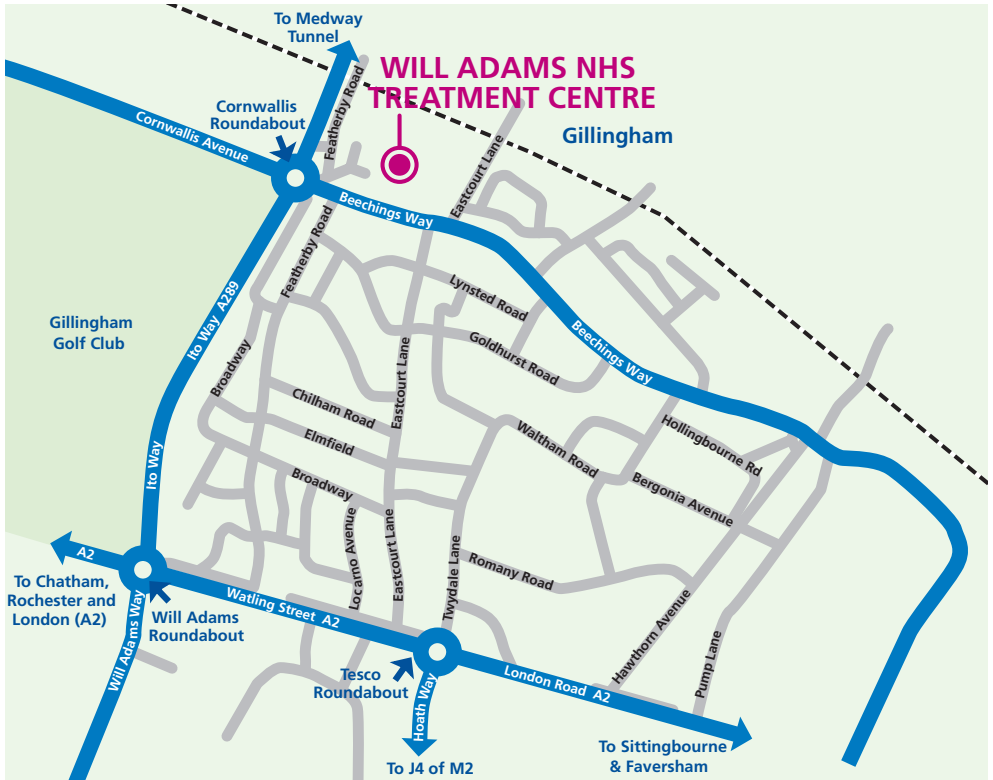

Our Services

We are a specialist NHS treatment centre that offers a range of services for adults, including:

- Orthopaedics e.g. shoulder surgery, carpal tunnel and arthroscopies
- Endoscopy e.g. colonoscopy and gastroenterology
- General surgery e.g. laparoscopic cholecystectomy and varicose veins
- Ophthalmology e.g. cataract surgery
- Urology e.g. circumcision

“The standard of care that I have received is a credit to you. I have been met by people, full of good humour, obviously happy in their work, showing a high degree of skill, care, consideration and professionalism.”

**Roy Harris,
patient in 2012**
